

# Come and enjoy our summer bird visitors and Milton's green open spaces!

Following the success of our Birding Walks last year, Chris Barnes has kindly agreed to do two more walks, attempting to find summer visitors like... *Common Whitethroat, Reed and Sedge Warblers*...in addition to 20+ all year residents like *Meadow Pipit, Snipe, Reed Bunting, Kestrel, Buzzard...and possibly even a Kingfisher!* BUT we make no promises!

**When** Sunday 13 April, and Saturday 26 April

**Where** Sarah's Meadow and environs; meet at gate into Calais Field

**Time** 10 am for approximately one and a half to two hours

**What to bring** Binoculars if you have any, walking boots or shoes

**How to book a place** Contact Chris Barnes
