

## Wednesday 21s January – Hedgerow Heroes needed!

**Please can you spare just TWO HOURS on Wednesday, January 21<sup>st</sup>?**

You know that hedgerows are *vital* for so many reasons - soil and crop protection, wildlife habitats and corridors, shade, and pest control....

Last year our Hedgerow Heroes planted more than 4, 000 trees - this year it's 1,500 trees and your last chance to join us! Any age and level of fitness welcome!

- **Wednesday, January 21st , 2026**
- **Spring Hill Farm**, what3words reference `album.recruiter.bogus`. This is the outlying barn at the end of the track 3/4 of a mile up from the farmyard at Spring Hill Farm
- **10.00 am**
- **Please bring** a spade and a trowel if you can, otherwise no matter; gardening gloves; clothing and footwear suitable for inclement weather; and a hot drink/snack if so desired.

Your help would be very *much* appreciated - and it might help you work off the effects of those extra Christmas indulgencies!

It would be helpful if you could let me or Pat know if you intend to be there. We do hope you can come - the more of us who are there, the quicker the job will be done!

**Thank you so much for your support**
