

Sarah's Meadow – something for every one, every month

Join the Volunteers – a lively, friendly, active group of people making a useful contribution on Sarah's Meadow - and feeling better as well. Here is our programme;

March

- spread gravel and small stones on muddy and slippery paths
- create a few small areas of shrubland

April

- install the information signboards
- build leaky dams in northeast corner
- create more wildflower areas
- support Chris Barnes' birding walks on *Saturday 11 and Sunday 26, April 9.30 - 11 am*

May

- pond and stream plant survey
- plant marginal pond species around the two main ponds
- enjoy a Spring Stroll

June

- insect and plant survey
- prepare material about SM for Milton Fete on July 11th
- enjoy a Summer Stroll

July

- promote SM at Milton Fete with BMAG on July 11th especially with children's activities
- Big Butterfly Count between July 17th and August 9th

August

- Big Butterfly Count to August 9th
- children's activities

September

- start rotational cutting of areas as in the Management Plan

October

- continue the cutting programme
- support Chris Barnes's Birding Walks

November

- plant hedging in small groups to create a few areas of shrubland
- clear scrub by the stream on the eastern boundary

December

- reflect on an amazing year's work and the wildlife appearing – cheers!
